Dear John,

First, let me apologize for not responding to your most interesting letter about Pyropower. I have been out of the country on a long trip but that is not a sufficient excuse. The potentials are fascinating.

I do want to get some missionary work done with the World Bank, AID and the UN Development Fund, to which Bill Draper has just moved from the Export-Import Bank. I would appreciate it if you would send me a couple of additional sets of the brochures and studies which you have already sent to me (Reports PCR-119, 121, 122, 124, 125).

Yours,

William J. Casey

Mr. John P. Fitzpatrick
